Defendants.)

ORDER

After a careful, *de novo* review of the file, the Court concurs with the Magistrate Judge's Report and Recommendation ("R&R"), to which objections have been filed. (Doc. no. 24.) Plaintiff does not offer any new information, evidence, or argument that warrants a

deviation from the Magistrate Judge's recommendation. Accordingly, the Court **OVERRULES** Petitioner's objections, **ADOPTS** the Report and Recommendation of the Magistrate Judge as its opinion, **DISMISSES** without prejudice Plaintiff's claims, and **CLOSES** this civil action.

SO ORDERED this 15 day of December, 2016, at Augusta, Georgia.

UNITED STATES DISTRICT JUDGE
